

Designing Comprehensive Evaluation Systems: Leading the Design and Implementation of a Comprehensive System to Improve Teaching and Learning

Arizona Department of Education Summit VI

Scottsdale, Arizona

Sunday, March 1, 2015–Monday, March 2, 2015

Session Title: *Evaluation Feedback for Professional Growth*, Laura Goe, Ph.D.

Activity 1: Feedback

Directions:

- Watch the excerpt from a video of a high school science lesson.
- Discuss the following with colleagues.

What did you notice about the teaching practice? What did you notice about the students' behaviors and responses?	
What additional information might you want to gather to inform your feedback? Why?	
What format(s) would be best to deliver feedback to this teacher? Why?	
What recommendations would you make for this teacher's professional growth? Why?
